TOTAL: _____

(Check or Money Order Only)

*The Treatment Research Institute provides the DENS ASI Software to treatment programs and researchers interested in entering into a software agreement with TRI. The fee is \$25.75 covering the cost of CD production, the manual, and shipping and handling. (PA residents: add sales tax for total fee of \$27.55) To request a copy of the software draft a Letter of Intent on your organization's letterhead that officially requests the DENS Software. Include in your letter how you plan to use the software, with what population, a brief description of your program, and your phone and fax numbers. Address the letter to Dr. Deni Carise, Treatment Systems Section Director. Mail the letter and your check for \$25.75 (made out to Treatment Research Institute) to TRI, attention of Mary Lou Cardell, at 600 Public Ledger Building, 150 S. Independence Mall West, Philadelphia, PA 19106. When we receive your letter and check, we will fax you a Letter of Agreement. Once you complete and return your signed Letter of Agreement, we will mail out the software with installation instructions and a User's Manual.
